Grant-Funded Safety Training

FALLS PREVENTION IN CONSTRUCTION

Compacion Foundation, Inc. has been awarded a Fiscal Year 2024 Susan Harwood Training Grant Program by the Occupational Safety and Health Administration, US Department of Labor. This grant program is to provide at **NO COST** safety training in Falls Prevention safety training in the Construction Industry to construction workers and small and new businesses in OSHA Region VI. (Texas, Oklahoma, Arkansas, Louisiana, and New Mexico)

This is a 2-hour falls prevention in construction safety training that includes hands-on falls prevention harness training. Training available in Spanish and English. A Certificate of Completion is provided at successful completion of training.

Training provided at NO COST through the OSHA Susan Harwood Training Grant Program SH000111SH4

Course Review

- Introduction to OSHA
- Fall Hazards: Ladders
- Fall Hazards: Scaffolds
- Fall Hazards: Fall from Heights
- Accident Prevention
- Personal Fall Arrest System Hands-on Training

After completing the course, participants will be able to:

While completing Falls Prevention in Construction Safety Training, participants will learn ways to stay safe from falls. You will also be able to identify and explain common fall protection systems to help protect yourself and other employees from dangerous falls.
